PRIN ICT · MANAGED ENDPOINT SECURITY

# PRIN Antivirus

Business-grade protection for every computer, laptop and server, installed and watched by PRIN ICT. Powered by ESET.

## Essential

Solid everyday protection

**R75**

per device / month excl. VAT
R86.25 incl. VAT

- ✓ Next-generation antivirus
- ✓ Ransomware remediation
- ✓ USB and device control
- ✓ Server protection
- ✓ Managed by PRIN from one console

RECOMMENDED

## Business

Stops phishing and new threats

**R99**

per device / month excl. VAT
R113.85 incl. VAT

**Everything in Essential, plus:**

- ✓ Anti-phishing: blocks fake login pages and scam links
- ✓ Cloud sandbox for brand-new (zero-day) threats
- ✓ Full-disk encryption for lost or stolen laptops
- ✓ Mobile phone protection

## Complete

For Microsoft 365 businesses

**R119**

per device / month excl. VAT
R136.85 incl. VAT

**Everything in Business, plus:**

- ✓ Microsoft 365 and Google Workspace protection: mail, OneDrive, SharePoint, Teams
- ✓ Mail server security
- ✓ Vulnerability and patch management

## Managed, not just installed

**We install it** on every device and keep it updated.

**We watch it:** detections reviewed twice a week, 30 days of history.

**We act on it:** threats followed up by our support team.

**No lock-in:** month to month, add or remove devices any time.

Bigger teams or higher-risk environments: Enterprise (XDR threat hunting) and 24/7 managed detection and response are quoted per business.
